San Eugenio Alto

Island Village

1 | 1 | 61 m2 | m2

A limited selection of 1 and 2 bedroom bungalow style properties have just been released, with prices starting from €124,950.

Offering exceptional value for money, and requiring some minor cosmetic updating, these generously sized properties have an internal meterage of 61m² and 72m² respectively. All have partial sea views and good sized terraces, and comprise of an open plan kitchen/living area, separate utility area, an internal atrium and 1.5 bathrooms (1 en-suite).

The complex has recently undergone a major renovation of the communal areas which is just about complete. Just across the road from Aqualand and close to all amenities, they would make ideal homes. Come and ...
